**Note:** Matt collected this merchandise for years at many auctions, when we looked at this merchandise it was all boxed up in large plastic totes, we just lifted up the lids and wrote down what we saw. I am sure that we did not see everything and I am sure the family does not even know everything that was in them. There will be a lot of surprises so come take a look.

Terms: Cash                      Not responsible for accidents.

Lunch by Sandie
