

# ANTIQUA AUCTION

ALTISER AUCTION & APPRAISAL

COMMERCIAL BUILDING AT PUTNAM COUNTY FAIR GROUNDS

**Saturday, April 29 • 10:00 am**

This will be a large sale with pretty much everything being antique. Sale is from a long time collector who stored everything away as he bought it & has set untouched for many years. We could only see what was on top & could in no way list very much at the time of this ad. Will be mostly all small items & no furniture. Some of the items we could see are: John Deere corn sheller, wood fishing poles w/big reels, several wood boxes, piles of pulleys, long horn horns, several galvanized buckets & tubs, steel milk crates, industrial items, door & cabinet hardware, Unionville & Newtown boxes, many iron wrenches of all sizes, many other type tools, Loudon whiffle tree, several ammo boxes, cast iron items, Edison mimeograph, Stanley tools, bb guns, many old steel toys, churn tops, zinc lids, old knives, planter lids, enamelware, wood rung ladder, steel lawnchairs, Wilton vise, Coleman lanterns, barn door rollers, yard tools, lathe tools, barn beam drills, 60 gal air compressor. This is just what I could see. There are many unique & unusual items that you don't see every day. The owner says there are some guns in there somewhere. He says both .22s & shotguns. We are really not sure what there will be so come check it out.

**Terms on Personal Items** ~ Registration w/proper ID prior to bidding. Cash, check w/pictured ID. Nothing removed until settled for. Not responsible for theft, accident or inadvertent errors in advertising. Statements made day of sale take precedence over printed material. Food and restrooms available.
