**EXCEPTIONAL HUNTING OR
“GETAWAY” LOG CABINS**

Absolutely gorgeous hunting or vacation cabins for your farm hunting acreage or lake front that you must see to appreciate. These first class log cabins, formerly the “Cabins in the Woods” near tiny Edinburg, Mo., must be moved. Measuring 16x28, these cabins come completely furnished right down to the silverware, with beautiful mission oak furniture, stove, refrigerator, bathroom w/shower, AC unit, back deck, everything you need, and absolutely beautiful--you won't be disappointed in the quality. If you like to hunt & fish, or just get-a-way with the family, check these out. Buy one or more for your “hideaway.” Again, they must be moved within reasonable time, and we have people lined up to move them.
