

TWO DAY FACTORY AUCTION

Contents of the former Coates Mfg Co. in Corydon, Iowa

Located on Iowa Hwy 14 at the North edge of Corydon Iowa, East side of Hwy

SATURDAY, JULY 11, 2015

& SUNDAY, JULY 12, 2015 AT 9:00 AM

New owners have new business plans and want everything sold to the bare walls and floor to ceiling. This factory has been in the manufacturing business under one family for several decades (contents reflect this) and manufactured primarily highway commission snow plows and wing plows including the hydraulic cylinders and at one time manufactured propane tanks. A curved railroad siding entered the building and several hundred feet of this track also sells. Come, inspect, and bid at absolute auction for the contents of this factory. All machines were in full operation until a few short months ago.

Day 1 Large and Small 3 phase, 220 & 110 machines, farm machinery, vehicles, trailers, paint barn and contents, sandblasting barn and contents, steel racks, steel shelving and new steel stock (both round and flat)

Day 2 Antiques, Tools, Furniture, Pet Equipment and huge amount of smalls

Auction company will be onsite from 8-6 each day, 1 week prior to the auction, for your inspections and evaluations. Auction company will also assist with removal of items for one week only following the auction, but in no way guarantee that we have the equipment nor the expertise in dismantling some of this equipment.
