Auctioneer's Note: Mr. Leitch had worked for JI Case and had operated his own construction company with his sons. He was very well known in the area as an exceptional diesel mechanic who worked on heavy equipment. It is impossible to list every item, therefore the above list is extremely abbreviated. 2 auction rings the majority of the day, so come prepared with an extra bidder. Tools and household items sell first, followed by trucks, tractors & heavy equipment at 12:00 noon. Loader tractor available day of sale, so bring your trailers. Lunch & restroom available.
