September 6, 2012 @ 10:00 AM

Farm is 118 acres m/l with 115.5 FSA tillable acres. Farm is located on Hwy 2 just West of Corydon Iowa. Tract has been well maintained with some terrace and tile work done. Farm is flat to gently rolling with a good production history. Currently farm consists of 76.5 acres in a Corn and Soybean rotation with 39.0 acres of alfalfa hay ground. Balance of the farm is clean grass waterways. Farm would make for a great ad on with good income potential. **Auction Location:** Corydon Events Center

Listing #10584
