AUCTIONEERS NOTE: The J.J. Nichting Company is an ongoing successful family owned dealership that has been in business since 1920. The Steffes Group is excited to assist this impressive organization with the marketing and disposition of this excellent line up of late model farm equipment as new trades continue to arrive. Nearly every item is a local trade sold new by J.J. Nichting and many have achieved "Case-IH Certified Pre-Owned" status and have extended warranty options available. We invite you to the store for onsite inspections. We know you'll be impressed and see clean, well cared for equipment. You'll meet people who will gladly assist you with questions and tell you about features, equipment service records and history. You may also simply call Pat McCrabb, the store manager at J.J.
