Hawkeye On-Site

3755 SE Capitol Circle #5 • Grimes, IA 50111

Our client has chosen to close his "on site" fleet maintenance business after many years and will be offering for sale his vehicles, tools (including Snap-On and Mac), along some office equipment.

VEHICLES: 2007 Ford Econoline E-350 Super Duty Extended cargo van; 1995 Ford Club Wagon Super 138" WB XL; 1996 Ford E 250 HD Econoline cargo van & 1995 Ford Econoline E-250 Cargo Van 138" WB. Vans contain compressors, equipment & shelving for on-site service but would be easily converted to another use. See catalog descriptions for more info regarding condition/mileage.

AUTOMOTIVE TOOLS: Isuzu Diagnostic System (for commercial vehicles); (2) OTC Genisys scan systems; scope attachment. Leak Tamer (new in box) & Blackhawk Porto-Power kit (also new). Campbell Hausfeld 60 gal upright compressor; 300 gallon split oil tank (150/150); waste oil tank. Roughneck digital oil control valve meter (new); Napa charger; parts washer; floor jacks; ATV & transmission jacks. Excalibur 8 ton hoist; BigEasy lockout kit. Many, many small automotive tools and kits, inc. Snap-on, Mac, Craftsman and others! A full list will be posted once all items are cataloged.

ADDITIONAL TOOLS & EQUIPMENT: Onan 6500W commercial generator; Craftsman & Snap-on tool cabinets; Craftsman 2-drawer workbench (new in box). Firepower FP120 MIG welder; Oxi-acetylene torch kit on rolling rack; 12-ton hydraulic press. Napa power washer; (2) unused roof-mounted ladder racks; Ford hitch; work lights; safety equipment; heaters; ladders; much more!

SPECIAL MENTION: Seven vehicle-mounted Puregas tele-com-type air compressors (220V) that were removed from fleet vehicles; were in working order when removed and replaced with newer models.
