**AUCTIONEERS' NOTE** - Traditionally, our December sale is just a one-day auction and therefore, we do not accept as many small, numerous items as we do on our Spring and Fall sale. Good usable livestock equipment and tools may be consigned without pre-approval. Two auction rings will begin promptly at 9:00 a.m. with all types of machinery, vehicles and construction equipment intermingled throughout the day. Possibly a third ring selling hayrack items and larger tools to begin at approximately 11:00 a.m.

Consignments will be accepted Monday, December 11 through Saturday, December 23 from 8 a.m. to 5 p.m. (not on Sunday). Our lot will be open for machinery inspection but we will not be accepting consignments on Christmas Eve, Christmas Day or Tuesday the 26th. Live internet bidding through Proxibid will be available on certain pieces of equipment.

Pre-registration on Tuesday, December 26. Concessions available by Quesenberry's Sly Fox Food. Not responsible for accidents. Equipment must be removed within two weeks.
