**ATTENTION FARMERS & LAND OWNERS**

Hello my name is Rodey Landers. My hunting partners are David Cruson and Eben Holley. We are an older group of hunting enthusiasts from Texas that are in search of a hunting tract to lease that we can manage for trophy whitetail. We have hunted together for about 20 years, mostly bow hunting. We strongly believe in taking care of the land we are hunting - no trash or damage left behind. And if needed we will have a release form and insurance policy in place to protect you the land owner! If interested please call-

**Why Buy With Us?? See What Our Customers Have To Say:**

These people are first class. It was the easiest most enjoyable experience I have ever had buying a vehicle. Friendly, professional, knowledgeable, just a wonderful all around buying experience. I was looking for a good used truck and I felt like from the get go I was receiving good honest answers and a fair deal. There was absolutely no haggle or hassle I felt like I was getting the best possible deal they could do right from the start. I can't say enough good things about them, and would highly recommend anyone giving them a strong consideration when looking into purchase a REALLY nice used vehicles. Couldn't have asked for a better experience and immediately put them on a mission to now find my wife a vehicle too. It really feels good to know there are still good honest people to deal with. Thanks for reading.
