"FOR ME, IT'S ABOUT DEPENDABILITY."

"I custom plant 1,000 acres a year. That means I'm always on the road, moving from field to field, and doing a lot of my own maintenance. I don't want to be chasing down air leaks every time I turn around."

MY PLANTING SOLUTION >> KINZE 3500 8R PLANTER

An 8-row pivot-fold planter with mechanical meters. One that's easy to transport, easy to service ... and can quickly switch to split row interplants when going from corn to narrow row soybeans.
