**Why Buy With Us?? See What Our Customers Have To Say:**

My boss had purchased a vehicle with Wilmer and the crew last month and told me about what a great experience it was. I happened to be in the market for a new van and had been looking everywhere! I checked on their wonderfully maintained website, expertly updated by Dawn-Marie, and found just what I was looking for! It was listed UNDER market value to boot! I made the trip 30 mi from my home town and was greeted with a smile and a comfortable atmosphere. After a test drive, Merlin took my trade-in for a spin and came back to offer me exactly what I wanted for it! I was in my new van just a couple days later. Never have I had a better experience buying a vehicle! The most important part for me is that it is evident that strong Christian values are at the core of their business model. Honesty, integrity and fair dealing are clearly their main objectives. I have been recommending them to anyone who will listen. I will never buy a vehicle from anyone else again!
