Insect & Bird Wildflower Food Plot Mix

Millions of insects and bees graze on the wildflower blooms. Thousands of birds including Pheasant, Quail and Turkey enjoy high protein meals eating insects, the only diet for chicks under 6 weeks of age.

Every summer the hunter will get antsy watching the birds get fatter & fatter while the Mrs. enjoys the beauty of the wildflowers year after year. The lazy man's way to feed the birds and keep the wife happy all at the same time - what more could you ask for?

All this is so amazingly easy! Scratch the dirt, spread the seed, and roll the seed in with a roller, tractor or 4-wheeler. Keep the weeds down the first year with a mower, sprayer or just smash them down with a 4-wheeler, tractor or a vehicle.

Call now for our easy seed calibration kit, only \$99 of seed for each acre you want to do and soon you'll have roosters waking you up every morning!

Benefit Soup Supper and Auction Bake Sale For Baby Miley

Sunday, June 1st • 5 pm - 9 pm

Miley Jo Christine Breese is the daughter of Sarah Hervey and Jake Breese. She was born February 4, 2014. Sadly, this beautiful little girl was born with many very serious health issues. She has undergone several surgeries since birth and is still presently in the Neonatal ICU in Iowa City Hospital. Every day is a blessing and Miley has made some progress over the last few months but still has a long way to go until she will be able to go home.

As you can imagine, the financial burden for the entire family has been difficult. Please help us help them.
