AUCTIONEER'S COMMENTS

This is an interesting mix of items. Due to health issues, Mr. McElderry is selling his tools including carpet installation tools. The McElderry's tools, household items, antiques, etc. will be sold first, including his furniture, starting at 10 Am. We plan to work fast but will run one ring only all day. There will be lots of wrapping paper, but you may want to bring boxes for packing away glass. The Sharon Smith Estate items are good quality antiques and you won't want to miss this auction! Items need to be removed the day of the auction unless arrangements are made with the auctioneer. This is an indoor facility, auction to be held rain or shine.
