Insect & Bird Wildflower Food Plot Mix
 Millions of insects and bees graze on the wildflower blooms. Thousands of birds including Pheasant, Quail and Turkey enjoy high protein meals eating insects, the only diet for chicks under 6 weeks of age.
 Every summer the hunter will get antsy watching the birds get fatter & fatter while the Mrs. enjoys the beauty of the wildflowers year after year.
 The lazy man's way to feed the birds and keep the wife happy all at the same time - what more could you ask for?
 All this is so amazingly easy! Scratch the dirt, spread the seed, and roll the seed in with a roller, tractor or 4-wheeler. Keep the weeds down the first year with a mower, sprayer or just smash them down with a 4-wheeler, tractor or a vehicle.
 Call now for our easy seed calibration kit, only \$99 of seed for each acre you want to do and soon you'll have roosters waking you up every morning!

Benefit Soup Supper and Auction Bake Sale For Baby Miley

Sunday, June 1st • 5 pm - 9 pm
 Community Hall (Fire Station) in Pulaski, IA

Miley Jo Christine Breese is the daughter of Sarah Hervey and Jake Breese. She was born Febuary 4, 2014. Sadly, this beautiful little girl was born with many very serious health issues. She has undergone several surgeries since birth and is still presently in the Neonatal ICU in Iowa City Hospital. Every day is a blessing and Miley has made some progress over the last few months but still has a long way to go until she will be able to go home.

As you can imagine, the financial burden for the entire family has been difficult. Please help us help them. If you are unable to attend but would like to help or make a donation, please call:
 641-208-6338 OR 641-680-8826

This isn't rocket science. It's more practical than that.

Rockets are cool, but can they heat your entire home and save you a bunch of money? Central Boiler's engineers are a lot like rocket scientists. They use the latest science and design techniques to manufacture the E-Classic, one of the most technologically advanced outdoor furnaces ever conceived, and the safe, efficient and affordable way to heat your entire home with wood.

Backyard Depot
 2 mi. East of Drakesville, IA
641-722-3641

All E-Classic outdoor wood furnaces adapt easily to new or existing heating systems. It's important that your outdoor furnace and system be properly sized and installed. See your local dealer for more information.
