Strong Cars for Strong Kids Car Show BURLINGTON AREA YMCA

WHEN: Sunday July 13, 2014
TIME: 10:00AM-2:15 PM
LOCATION: BURLINGTON AREA YMCA
ENTRY INFO: Contact Kari at 319 753 6734 ext 113
or kari@burlingtony.org

THE CAUSE

When we first met Henry, he was not able to run, jump or kick due to physical limitation, which reduced his options for team sports. He gave swimming a try. Henry's participation on the YMCA Bullsharks swim team and support from his coaches, has given him confidence while strengthening his muscles and avoiding major surgery all at the tender age of 7.

All car show proceeds go to our Annual Campaign which provides financial assistance to youth and families in our area to help them participate in programs and membership. If you would like to donate to the campaign, visit www.burlingtony.org or contact Gina at 319 753 6734 ext 115.

Sullivan & Son
AUCTION

SATURDAY, JULY 26, 2014 • 1:00 PM
 AUCTION TO BE HELD ON-SITE AT 515 N 6TH BURLINGTON, IA.

HISTORY OF THE "NELSON-CRAPO" HOME

J.R. Nelson, who invented the Embalming Burial Case, built this large brick 2-story home in 1865. Prominent Burlington resident Philip Craop purchased it in 1882 and added the rear section. It was known as "Tall Trees Home". Later it was sold to Mrs. Robert Hertzler who was an heir to the Brach's Candy Co. in Chicago IL. The late Martha Jordan-Weygant and her husband Kenneth purchased the home in 1987. Mrs. Weygant's father was Dr. Philip Jordan who's family settled in the area in 1837. Dr. Jordan was a History Professor and Author who wrote numerous history books.

This stately brick home is filled with elaborate architectural detail. The woodwork is a combination of Walnut, Butternut, Maple and Oak. Much of the wood and the contractors who installed it came from France. The intricate inlay designs created in the floors is nothing less than phenomenal. It has a large beautiful open stairway along with 7 fireplaces. The library, which is connected to the living room by large double pocket doors, has multiple built in mahogany bookcases, fireplace and beautiful leaded stained glass windows with designs matching the ornate wood trim of the room. The basement includes a single car garage accessible from the alley behind the house and there is a stair-lift on the basement stairs.

This magnificent home has been placed on the National Register of Historic Places and Burlington Heritage Hill Historic District.

VR Series Wheel Rakes

Smart innovative design. Quick "wrench-free" adjustments. Patented rubber torsion suspension. A telescoping toolbar and excellent tire clearance in all rake width settings. Optional center splitter wheels that turn the hay in the center of the swath. Finally, a wheel rake that's decidedly different.
