No wheels. No engine. No heating bills.

You rely on the land for your livelihood. You understand the special partnership formed when man and nature work in unison. If you choose to heat with wood, an E-Classic improves your family's living environment by eliminating the fire hazards, dirt, smoke and time-consuming chore of tending a traditional wood stove.

MacDon
R1 Pull-Type Disc Mower

Performance Conditioning

MacDon's R1 Series Pull-Types are ready to perform all of your conditioning needs. Featuring the industry's widest conditioning rolls at 129" (328 cm) and 4 interchangeable conditioning options, the R1 lays down well-formed, well-conditioned wide to narrow windrows. Running lean, the R1 only requires 100 hp for a 13-foot and 125 hp for a 16-foot model. The unique movement of the Responsive Float System along with the all new forward mounted cutterbar design provides true, even ground following and a clean, smooth cut every time. Best of all, it's backed by a 3 Year Cutterbar Warranty, that's MacDon's way of ensuring worry free MacDon harvesting performance.
