12TH ANNUAL RUMMAGE MANIA & BAKED GOODS

Rummage Mania is back on this year!

New Hope Counseling Center holds this annual event in the gym at First Baptist Church in Centerville. It all started as a way to bless the community. As always, nothing is priced—you shop, you choose what to pay, and give it as a donation to New Hope. A Silent Auction for collectibles and higher quality items will be held there too.

All proceeds from Rummage Mania go to support the local mission work of New Hope Counseling Center, providing Biblical Counseling free of charge, and to help support its other community outreaches: Hope Chest Thrift Store, Hope Pregnancy Center, Hope Loan Closet, and New Hope Prayer Center.

This community event blesses everyone. Donating your unwanted items helps you clean out some clutter, and makes you feel good about giving to such a worthy cause. It helps not only the local mission work of New Hope, but the hundreds of customers that come to find needed items, or just something fun they might not otherwise be able to afford.

You'll find treasures galore as you walk the aisles. Table after table will be piled high with everything imaginable. The back room resembles a department store, filled with clothing and shoes in every size, style, and color. You can look through loads of books, mounds of movies, piles of purses, and holiday decorations of all kinds. For all you guys out there, they have some man cave stuff you'll want to check out. *And new things will be put out every day!*

Loads of items get donated and dropped off from the wonderful people of our local communities, helping to make this three-day event the huge success it has become. So sort out those closets, garages, attics, and basements! They ask only those items be clean and undamaged.

Donation Drop Off Dates:

Mon., Aug 22nd thru Tues., Aug 23rd
from 8:00 am to 5:00 pm
Enter through the west doors of First Baptist Church - 603 W State St - Centerville

Thursday, Aug 25th 7:30 am – 6:00 pm
Friday, Aug 26th 7:30 am – 12:00 pm

New items set out each day!

They do reserve the right to limit the amount taken by each person so everyone may have the same chance to benefit. Please, no gathering of items for re-sale. An adult must accompany children.

WHAT IS DREDGING???

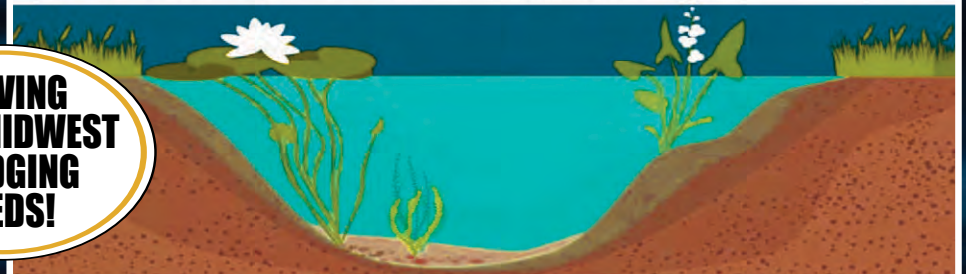

DREDGING IS A PROCESS USED TO REMOVE ACCUMULATED SEDIMENT FROM THE BOTTOM, AND IN SOME CASES, THE BANKS OR SIDES OF A RIVER, LAKE, STREAM OR OTHER BODY OF WATER. A SPECIALIZED PIECE OF EQUIPMENT CALLED A DREDGE CREATES A VACUUM THAT SUCKS UP AND PUMPS OUT THE UNWANTED SEDIMENT AND DEBRIS.

- 1** Operator lowers boom to the bottom of the body of water.
- 2** Rotating cutter-bar uses teeth to loosen settled material, as the submersible pump removes sediment from the bottom of the body of water.
- 3** the debris is transported away for final processing.

THIS PROCESS IS USED FOR

- > CREATING WATERWAYS
- > REOPENING CHANNELS
- > RESTORING SHORELINES
- > MAINTAINING ECOSYSTEMS
- > GATHERING CONST. MATERIALS
- > REMOVING TRASH & DEBRIS
- > RECONFIGURING WATERWAYS
- > INCREASING WATERWAY DEPTH
