NOTHING TILLS LIKE A TIGER.

The leading factor in crop-yield reduction is soil compaction—but most points do little to alleviate it. Case IH Tiger Points—designed by the engineers behind the number one disk ripper on the market—are different. The 23-degree, downward-rearward- and outward-swept wings—engineered in 1985 after years of in-depth agronomic research—do more than just cut a slot in the compaction layer; in both wet and dry conditions, they create a turbulent lifting and twisting action below the soil surface that aggressively fractures compaction for maximum air and water penetration and minimal runoff. Don't trust your tillage to will-fit points—go with Tiger Points for your best season yet.

Visit BeRedandReady.com/tiger to learn more.

\$10 CASE IH PARTS REWARD CARD*

for every Tiger Point purchased, regardless of size

NO PAYMENTS NO INTEREST FOR 120 DAYS**

All redemption forms must be entered online at partsworld.com and submitted by October 20, 2013. Rewards are not transferable and Case IH Parts Reward Cards are not redeemable for cash, will not be replaced if lost, stolen or destroyed and may be used to purchase eligible parts and related services and products only. New Hope's Rummage Mania - We were blown away!

New Hope Counseling Center wishes to express a great big Thank You, to everyone who helped make Rummage Mania a tremendous success. The outpouring from this community was absolutely incredible. The items and clothing blessed dozens of families who might not otherwise have been able to obtain needed items and even Christmas gifts for their children.

Very special Thank you's to the First Baptist Church for allowing us to use your gym and kitchen, to all of the New Hope Volunteers who helped us unpack, organize, and clean up afterwards, and to those of you who baked some awesome breads and goodies, and finally, to everyone who donated items of every size and shape. We absolutely couldn't have done it without you!

Many of our shoppers expressed their appreciation. One lady recently had a fire in her home was able to find some things she needed. This effort is making a huge difference. What a blessing to have just a small part in reaching out to those in need.

Over \$3200.00 was received in financial donations. The remaining shoes and clothing were donated to C.R.O.S.S. Ministries, located in Osceola, Ia. This Christian Ministry offers supplies and services to those in need, sending medical equipment and supplies to Romania and other countries. The miscellaneous items were taken to a consignment auction and will add to the financial blessing for New Hope. So everything donated was a blessing all the way around.

An event like this takes lots of planning and help to make it happen. It's difficult to express our feelings of appreciation to so many people who made it happen. We are blessed to live in a community where people see a need and step up to help. God Bless You All.

The Staff of New Hope Ministry & Counseling Center.
