HONDA
GENERATORS

Very Smart.

†Manufacturer's Suggested Retail Price. ††Manufacturer's Minimum Advertised Price. Please read the owner's manual before operating your Honda Power Equipment and never use in an enclosed or partially enclosed area where you could be exposed to odorless, poisonous carbon monoxide. Connection of a generator to house power requires a transfer device to avoid possible injury to power company personnel. Consult a qualified electrician. ©2015 American Honda Motor Co., Inc.

Do-it-yourself energy. Right in your backyard.

If you choose to heat with wood, you know the value of having a readily-available heat source right in your back yard. With the E-Classic's efficient design and operation, you can heat your entire home, shop and more with up to 50% less wood than traditional wood heating.

Nelson Lawncare

Lockridge, Iowa
641-919-3550

All E-Classic outdoor wood furnaces adapt easily to new or existing heating systems. It's important that your outdoor furnace and system be properly sized and installed. See your local dealer for more information.

MacDon

TRUE FLEXDRAPER®
NO COMPROMISE

The MacDon FD75 FlexDraper® continues to advance harvesting technology. Featuring our fixed reel to cutter bar relationship, this unique design maintains a consistently small critical gap between the reel fingers and cutter bar, even at maximum flex. Allowing for consistently smooth heads-first feeding of the crop to the combine. That's innovation that significantly boosts combine productivity, and it's the reason why more top producers and custom harvesters trust MacDon with their harvest. See the FlexDraper® in action at MacDon.com

It's Harvest Time!

Please SLOW DOWN!

**Annual Davis County
Share The Harvest Walk**
Sunday, October 4, 2015 • 2:00 pm

Walk from the southwest corner of the Bloomfield Square with a 'city loop' for this year's walk - ending at the gazebo on the square.

Davis County's Share-the-Harvest Walk is raising funds to help pay land rent and farming expenses for 50+ acres of soybeans set aside by Davis County farmers. When these acres are harvested, proceeds are distributed through Foods Resource Bank to village farmers around the world to purchase seeds and appropriate technology so they may provide food for themselves and their neighbors. Foods Resource Bank is made up of 15 humanitarian organizations that fund programs in 34 countries.

Member organizations of Foods Resource Bank include Adventist Development, Catholic Relief Services, Christian Church (Disciples of Christ) Week of Compassion, Christian Reformed World Relief Committee, Church of the Brethren, Church World Service, Evangelical Covenant Church, Lutheran World Relief, Mennonite Central Committee, Nazarene Compassionate Ministries, Presbyterian Church USA, Reformed Church in America, United Methodist Committee on Relief and World Hope International.

To learn more about the Foods Resource Bank program, visit www.foodsresourcebank.org or contact Darrell Zook at Pulaski Mennonite Church. 641-675-3845
