NOTICE TO ALL LIVESTOCK PRODUCERS, FARMERS, AND LAND OWNERS

There is a Proposed Rule regarding the Definition of "Waters of U.S." Under the Clean Water Act, Docket No. EPA-HQ-OW-2011-0880 that could and will have a serious impact on our future.

This proposed rule will let the EPA regulate small ponds, ditches, waterways that carry water only during rainfall and isolated wet spots as if they were "navigable waterways".

If this proposed rule is enacted, the EPA will have the power to control many aspects of farming and other land use....they will be able to determine if ponds can be built, if crossings can be put in ditches, and they will be able to impact farming practices such as fertilizer applications, and spraying for weeds or insects.

One other aspect to consider is currently "Waters of U.S." are publicly accessible.

There is an opportunity for public comment regarding this rule, the comment period ends October 20, 2014.

THIS PROPOSED RULE IS VERY SERIOUS.....AND TIME IS SHORT - PLEASE TAKE TIME TO COMMENT.

FARM BUREAU has a Web Site that explains more details and facilitates making comments regarding the proposed rule.

The Web Site is DITCHTHERULE.FB.ORG

The Davis County Cattlemen are very concerned about the impact of this rule and we encourage all Livestock Producers, Farmers and Land Owners to comment before October 20, 2014.

The faces and service you have come to expect at Drost Equipment are now part of Van Wall Equipment.
Carl Drost has been serving Oskaloosa and the surrounding communities since 1974. Now, as a new addition to the Central Iowa Van Wall Group of John Deere dealers, a new chapter begins in his history.
Carl and his son, Nick, have found this to be a very positive step forward. "We have expanded to better serve you, our customers, in parts, service, and in sales." said Carl.
"So, now, we have a new name, but we're still at the same location and, as always, there will be the same friendly service and care from the people you know."
Stop in and visit us today.

THANK YOU!

A Huge THANK YOU to everyone who participated in and donated to the 2014 Hawkeye Trader Lend A Wing Golf Tournament on Saturday, October 4th. Because of your generosity the tournament generated \$5,000 that will be used to help our local veterans and their families with emergency needs in the coming year. The support we give our military personnel and their families is well deserved and greatly appreciated. With the problems in our world today, our military families will need us more than ever. If you would like to make a donation or learn more about the Lend A Wing Project, please call Your Hawkeye Trader at 641-675-3971.

A special THANK YOU to those who supported the tournament with donations and sponsorships:
